"My insurance lapsed?"

Your insurance must be renewed promptly and the premium paid on time, otherwise you are without insurance protection. A loss at such a time is sheer tragedy. May we suggest carrying all your insurance with the Scott Insurance, and arranging monthly payments of the total premium to avoid lapsed insurance.

ADVERTISEMENT FOR BIDS
Town of Appomattox, Virginia
Office of the Town Clerk
June 15, 1978

NOTICE is hereby given in pursuance of Section II of an Ordiance approved June 12, 1978, that bids shall be received for the franchise privilege and rights proposed to be granted by the following ordinance, by the presiding officer of the Council of the Town of Appomattox, Virginia, at the regular meeting of said Council, which will be held in the Council Chamber, on the 14th day of August, 1978, at the hour of 7:30 P.M., and after the receiving and opening of such bids, the Council will proceed with the consideration of the granting of the said proposed franchise in the manner prescribed by the law.

All bids must be in writing. The right is hereby expressly reserved to reject any and all bids. The proposed franchise ordinance is in the words and figures following:

"AN ORDINANCE"

BE IT ORDAINED IN THE COUNCIL OF THE TOWN OF APPOMATTOX, VIRGINIA

"Section 1. The right is hereby granted unto _____ hereinafter referred to as the "Grantee," its successors and assigns, for the term and subject to the conditions and limitations hereinafter stated, to use the streets, alleys and public places of the Town of Appomattox, Virginia, hereinafter referred to as the "Town," and to acquire, erect, maintain and use, and if now constructed maintain and use, poles, towers, wires and facilities over and along, and to acquire, construct, maintain and use, and if now constructed to maintain and use, conduits, pipes, mains and other facilities, including necessary manholes, and to run cables and wires in, under and along the streets, alleys and public places of said Town and to use the property of other persons, corporations and organizations and permit such other persons, corporations, and organizations to use its property upon such arrangements as shall be agreed upon subject to the conditions herein set forth, for the purpose of providing all types of telephone and telegraph service and conducting such other business as is permitted by law within the corporate limits of said Town, as the same now exist or may hereafter be extended or altered.

"Section 2. From and after the date on which this ordinance shall become effective, the poles and other facilities in, under and along the streets, alleys and public places of the Town, authorized by this ordinance to be located and constructed, shall be located at reasonably suitable and convenient points. Such poles shall be located or moved at the expense of the Company owning or using them following joint agreement of the Grantee and the Town Manager. If and when requested by the Mayor or other proper administrative officer of the Town, the Grantee shall, from time to time, file with the Town plans showing the location of existing and proposed additional poles of structures, under and along the streets, alleys and public places of the Town.

"Section 3. In the location and erection of the poles, conduits and other facilities and fixtures and in stringing the wires as herein authorized, the Grantee shall have the right to trim, cut and keep clear of its wires and fixtures the trees in and along the streets, alleys and public places of the Town, but shall not cut or otherwise injure said trees to any greater extent than is reasonably necessary in the construction, maintenance and operation of the said poles, wires, fixtures, and other structures of the Grantee as herein authorized and provided.

"Section 4. In the event the Grantee shall, in the construction or repair of its works, injure any pavement, sidewalk, sewer, water or other pipe or works belonging to the Town, it shall, upon notice thereof from the Mayor, promptly repair the same as its own cost and expense.

"Section 5. The Grantee shall, when so requested by the Council of the Town, permit its poles, towers and other structures to be used without compensation by the Town for the purpose of placing thereon any traffic lighting, fire or police alarm, telegraph or telephone wires which may be necessary for the exclusive use of the police or fire department or water department of the Town, provided that such use by the Town shall not interfere with the proper use of said poles, facilities and fixtures by the Grantee, and that the location and character of said wires and fixtures of the said Town shall be subject to the approval of the Grantee herein, and provided further that the Town shall, and it hereby agrees to, indemnify and save harmless the Grantee from any and all loss, damage, cost or expense to, or which may be incurred by Grantee, or to which it may be subjected by reason of or as a result of the use of said poles and structures by the Town as in this section provided.

"Section 6. The Grantee agrees and binds itself, by the acceptance of this ordinance, to indemnify, keep and hold the Town free and harmless from liability on account of injury or damage to person or property growing out of Grantee's construction, improvement, maintenance, repair and operation of its lines or works, and in the event that suit shall be brought against the Town, either independently or jointly with Grantee on account thereof, and relating to any such injury or damage, the Grantee, upon notice to it by the Town, will defend the Town in any such suit at the cost of the Grantee, and, in event of a final judgement being obtained against the Town, either independently or jointly with grantee, the Grantee will pay such judgment, with all costs, and hold the Town harmless therefrom; but nothing herein contained shall be constructed to render Grantee liable for the negligence of the Town, its agents or employees or of any other person or corporation.

"Section 7. The Grantee shall operate and maintain an efficient telephone service system at reasonable rates for use of inhabitants of the Town during the term of this franchise.

"Section 8. All the rights and privileges hereby granted to Grantee may be exercised by any successor or successors, assignee or assignees of the Grantee, but the successor or successors, assignee or assignees shall be subject to all the provisions, obligations and stipulations and panalties herein prescribed.

"Section 9. The rights and privileges hereby granted shall continue for the period of twenty years from and after the day on which this ordinance become effective as provided in Section10 below, unless the same be sooner voluntarily surrendered by the grantee, with the consent of the Council of the Town, or unless the same be sooner forfeited as provided by law.

"Upon the expiration of the term of this grant and upon the termination of the rights hereby granted, by surrender, forfeiture or otherwise, all of the poles, wires, conduits, lines and other property of the Grantee in the streets, alleys or public places of the Town at the expense of the Grantee within a reasonable time after the expiration or termination of such rights and privileges.

"Section 10. This ordinance and the rights and privileges hereby granted and conferred shall become effective when the Grantee has filed with the Mayor of the Town its written acceptance thereof, and has entered into a bond in the sum of One Hundred Dollars ($100), with surety satisfactory to the Mayor, conditioned to the effect that the Grantee will construct and maintain, or if constructed, will maintain, the poles, wires, conduits, lines and other facilities provided for herein and reasonable necessary for the exercise of the rights and privileges granted in and by this ordinance, in good order through-out the term of this grant, and will comply with the terms, provisions and conditions of this ordinance in all respects.

"Section 11. Cables, conduits, lines and wires must be maintained at a minimum height of fourteen (14) feet clearance from Public Highways, Streets or Alleys."

"Section 12. The Grantee will, when extending its cables and wires to new areas within the Town limits, place such cables and wires underground in so far as it is practical and economically feasible to do so."

"Section 13. That upon the arrival of this ordinance by the Mayor of the Town it shall be the duty of the Town Clerk to cause be advertised once a week for four successive weeks, in some newspaper of general circulation in the Town, the draft of ordinance contained in the foregoing sections, and in addition he shall, by such advertisement, invite bids for the privileges and rights proposed to be granted by such ordinance, which bids shall be in writing and shall be delivered to the presiding officer of the Council of the Town in open sessions at the day and hour of the next regular meeting of the said body to be held next after such advertisement is completed; and the bids shall then be presented to the Council by the presiding officer to be dealt with and acted upon in the manner prescribed by law for franchise grants. The advertisement shall axpressly reserve the right to reject any and all bids, and the successful bidder shall be required to pay all costs of advertising the franchise in addition to the sum bid by it.

This ordinance shall be in force from its passage.

Passed by the Town Council of the Town of Appomattox, Virginia on the 12th day of June, 1978.

TO THE APPOMATTOX COUNTY VOLUNTEER FIREMEN:

We would like to take this opportunity to say thank you for the great job you did when our garage burned during an electrical storm.

Sometimes I don't think we realize how faithful and untiring our volunteer firemen really work until it comes home to us.

A special word of thanks to the two who came back the following day and watered down the remains that were still burning.

Thanks again and God Bless You.
